Section 2:

Section 5:

To ensure that all Manistee County 4-H livestock interests are open to all. (Amended Nov. 2021)

## **ARTICLE III MEMBERSHIP**

### Section 1:

Adult Membership: A maximum of twelve (12) adults who are registered 4-H club leaders or have ties to the local Manistee and Benzie County 4-H programs (parent of 4-H member, individual who volunteers at 4-H functions or assists at 4-H club meetings, etc.). Term length is three years, and a maximum of two consecutive terms may be served. After an absence of one year, a former member is eligible for membership, Benzie adults shall not comprise a majority of council membership.

### Section 2:

Youth Membership: All Manistee and Benzie 4-H youth currently enrolled in a livestock project are encouraged to attend and participate at any council meeting. A maximum of two (2) youths from Manistee County and two (2) youths from Benzie County over the age of 13 may seek council membership. Terms shall be for one year and may be repeated. If the current Manistee 4-H Ambassador chooses to sit on the Livestock Council, that would take precedence over any other nominees. *(Amended 1/4/12)*

### Section 3:

Individuals who desire to be included on the ballot during annual council and committee elections must be a current registered **Volunteer, in good standing**, with the Manistee or Benzie 4-H program for a minimum of 9 months. *(Amended Nov. 2021)*

Exception may be possible for those individuals who had previously been registered volunteers that terminated their status in good standing. It will be at the discretion of Extension staff as to whether the Volunteer Selection Process on that individual can be completed in time for them to be included on the ballot. *(Amended by Advisory Council on March 14, 2006)*

### Section 3:

Nominations: It is the responsibility of the council president to determine the manner in which new names for council memberships will be presented. It may be made a responsibility of all council members, or a special nominating committee may be appointed to handle this task.

All candidates must complete a "Prospective Candidate for Livestock Council" form – available at the Extension office – prior to the election in order to be included on the official ballot. Names received after the official ballot is made may be included as "write-in" candidates. All nominations must be presented and voted on no later than the October council meeting of that year. All Manistee County 4-H and Benzie County 4-H registered **Volunteers in good standing** and Livestock Council members present can vote in the Livestock Council elections. Livestock Council members only can vote by proxy. To be elected, candidates must receive a "majority vote" of the eligible voters present (and any proxy votes included). *(Amended Nov. 2021)*

Section 4:

Actual Term: Member terms will run from November to November. (The actual 4-H program year is September 1 through August 31).

Section 5:

Vacancies: A member's term on the council shall be considered vacant when three (3) consecutive meetings are missed due to unexcused absence. The vacancy shall be filled by council recommendation and the time served will be considered a term if two years or more.

Section 6:

The Extension 4-H agent and/or program assistant shall serve in an ex-officio capacity.

Section 7:

Regarding council membership on all 3 councils (Advisory, Horse, and Livestock), attempts should be made to encourage a balanced gender/racial mix, reflective of the current county population and program membership. The ultimate decision is dependent upon election results as per the votes cast by each council for its new member candidates. *(Amended by Advisory Council July 2003)*

Section 8:

All volunteers in the Manistee County 4-H program must complete the Volunteer Selection Process (VSP). This must be done prior to one's agreement to serve as a candidate for council elections. In the event that an individual is not able to satisfactorily complete the VSP, it will be necessary to end their council membership, in which case a council vote for a replacement would have to occur. If it becomes necessary for the Extension office – with the support of the State 4-H office – to discontinue/suspend an individual's volunteer status with the county program, then 4-H council membership will also be discontinued/suspended. *(Amended by Advisory Council December 2003)*

The officers of the council shall consist of President, Vice President, Secretary, and Treasurer, which shall be elected annually at the November meeting.

Section 2:

Then, in the event that membership numbers are restored, that council/committee should replace one of the dual officer positions as soon as it is possible.

*(Amended by Advisory Council February 2016)*
