"DRUG FREE" STATEMENT

ALL Exhibitors of Livestock animals must complete.

State:	Zip:

Showmanship Level:

Cloverbud (5-7)	Beginner (8-11)	Junior (12-14)	Senior (15-19)
-----------------	-----------------	----------------	----------------

I certify that all of my Livestock animal projects are drug free by Federal Food and Drug Administration standards. In the event that I am selling animals at the 4-H Livestock Auction, I further guarantee that they meet the requirements of the USDA's stated period for antibiotic and wormer withdrawal period prior to delivery to one of the processors. I acknowledge and accept the fact that my animals may be subject to drug and residue testing. I also understand that a "positive" test result showing evidence of an illegal or unapproved substance could mean forfeiture of all premiums, market proceeds, and trophies as a penalty.

If I am a Youth Exhibitor, my parents or guardians assume equal responsibility for following these and other established animal project guidelines as set by the Manistee County Fair Board and Manistee 4-H Councils and developmental committees.

I understand that <u>this form is not valid without the required signatures below</u> and that my <u>Fair Registration will be ineligible if those signatures are not included.</u>
